

SCOUT DROP-IN DAY!

April 10, 2026 @ 1:00–4:00 pm
AT THE LONG ISLAND MUSEUM

Calling all Scouts! Spend the day at the Museum exploring the limited-time exhibitions spotlighting computers, video games, and the creative minds behind the designers who bring digital worlds to life. Through hands-on activities in the galleries and art-making stations throughout the campus, Scouts and their families will gain insight into the process of digital coding and the art of game design.

PROGRAM HIGHLIGHTS

- ★ Design your own wearable retro video game-inspired button.
- ★ Create a story cube to spark game ideas and character development.
- ★ Strike a pose next to a life-size Spider-Man costume and a giant Nintendo Switch!
- ★ Meet game designer and Eagle Scout, Brendan Bailey, and play his unreleased game, *Nixie!*

Open to Scouts of all ages and satisfies several requirements for Girl Scouts' Digital Game Design Badge and Scouting America's Game Design Merit Badge.

REGISTRATION

\$15 per Scout (includes 1 free adult admission)

All other non-scouts must pay regular museum admission.

Scan the QR code or visit longislandmuseum.org/events or email us at educators@longislandmuseum.org to register.
